FRANK F. LUND

Grower Gladiolus Hybridist

COTATI, CALIFORNIA

Spring 1936

PLEASE READ CAREFULLY

To the trade and customers:

This price list cancels all previous lists. We wish to tell you we have had 12 to 15 years of experience growing gladiolus and the stocks we send out are the equal of any regardless of where grown. Clean, napthalened, true to name, etc. No grower has a monopoly on quality or reliability as some would try to make you believe.

TERMS OF SALE:—Cash with order, please. 25 per cent deposit will hold until April 1st. Bulbs prepaid in United States and Canada. If you will pay carrying charges or postage I will add more bulbs to your order to more than cover same. Please name second choice as we do not substitute varieties ordered. If out of size ordered may send next size for full amount sent. Order early as some stocks very limited and our selling season is short.

NO SMALL SIZES OR BULBLETS FOR SALE AFTER APRIL 1st

PRICES—DISCOUNTS, ETC.—We try to make our prices as low as those of other Gladiolus specialists doing away with all complicated and periodic price reductions, coupons and other sales propaganda. If you can use planting stock or bulblets in good size lots send me list for special price.

3 or 5 may be had at the 10 rate, 25 at the 100 rate, but no item less than, 10c, please.

CALIFORNIA ORDERS PLEASE ADD SALES TAX OF 3%

ALL STOCK OFFERED AND ORDERS ACCEPTED SUBJECT TO PRIOR SALE.

My thanks are again extended to my customers and friends for past favors and hope to warrant again some of your bulb orders.
